Mr. Business Man,
Somewhere.

Dear Sir:-

Our specialty is the manufacture
of Imitation Typewritten Letters.

We print them through inked
ribbons, like big typewriter ribbons.
We have any color of ink and we match
the type of almost every make of type-
writer. We make a unique kind of engrav-
ing for signatures, and print them so
like the real thing that you'd O. K. them
on checks--unless you looked real sharp.

The main point in using facsimile
letters is to have the names and addresses
match the body of the letter. This we do
to perfection, and when it comes to getting
out A-1 work--"We-are-it."

We can handle any size job
promptly, doing the printing, inserting
names and addresses, addressing envelopes,
folding, enclosing, stamping and mailing
complete--or any part of it.

Please ask us to see you or stop at
our home, second floor Old Board of Trade
Building, Capitol Ave. and Maryland St.

Yours respectfully,

FMM/2

Mr. Up-to-Date-Business-Man,
Anywhere.

Dear Sir:-

There is a personal appeal in a letter like this, that cold type can never have.

You can tell your message in a heart-to-heart talk through the medium of a circular letter. You can be more forceful and direct. A letter will get a hearing where a salesman won't.

Systematic circularizing to old or possible new customers with the proper sort of letters will produce results. Our customers--and among them are the largest and most successful firms--rely upon us fully to take their instructions at any time and we serve them with promptness and care.

We can help you in preparing the letters if desired. We have made a careful study of this work and have been able to accomplish a great deal for our customers.

"ASK THE USER."

Please ask for samples and prices.

Yours very truly,

Mr. Let-Me-Show-You-Business-Man,
Everywhere.

Dear Sir:-

MEIERE process quality typewriting is produced with facilities not found in every print shop, and can not be successfully done by "an office boy with the turn of a crank."

The MEIERE process typewriting is "in-a-class-by-itself", made by the most skilled and experienced mechanics in this special line of work, in the best equipped plant in the world for making correct reproductions of typewriting.

The typewritten letters duplicated in facsimile by the MEIERE process have none of the ear marks of imitations and prove "result-fetchers" where the ordinary kinds fail.

Place your next order with us.
"WE MAKE GOOD"--or you don't pay.

Let us hear from you.

Respectfully yours,

FMM/2
